

Remembering Memoriam stationery is designed, and printed by the Kennedy family in our studios in West Cork. It is important to us that your memoriam stationery is exactly right and presented by us to the highest quality for you. With our standard of perfection we can still offer the best value in Ireland. All our work is sent out on proof to be checked by you before we go to print.

Selection of scenes and pictures

The scenes shown in this booklet are just a small selection of what is available. If you have an image, photo, scene, holy picture etc. of your own or something you would like us to find for you, then we can include this in your design. All images and photos can be used in Memoriam Cards, Bookmarks, Acknowledgement and Thank You Cards, Notepaper and Remembering range. We want your Memoriam Stationery order to be just perfect. As many photographs as you wish can be included in a compilation bookmark.

Thank you
